

# Satya Samaikya Venna

Front-end Developer

## Profile

I am a keen, hard working, reliable and excellent time keeper. I am a bright and receptive person, able to communicate well with people at all levels. I am good at working using my own initiative and I am flexible in my approach to work duties. I have a good sense of humour and a pleasant approach.

## Work experience

present  
↑  
Nov 2024

### IT Trainee

*SITA.dev, Stockholm*

- Develop and maintain dynamic, responsive user interfaces using HTML, CSS, JavaScript, and React.js to ensure an optimal user experience.
- Worked in agile environment with weekly stand-ups, kept tracking of user stories in Github projects.
- Jira provides planning and tracking tools so teams can manage dependencies.
